Living as a Pilgrim (1 Peter 2:11-12)
Week of October 14, 2018

Read 1 Peter 2:11-12. Ask the Lord to speak to you through the passage.

A New Outlook

Acknowledge that you may be defeated by your past sins and failures and that it has crippled you in your walk with Jesus Christ.

Acknowledge that you are possibly being held back spiritually because of that lack of understanding.

Don't Indulge Yourself

Ask the Lord to help you to recognize that as a follower of Jesus, you are living here temporarily.

Ask the Lord to help you to stop giving in to your strong desires.

Ask the Lord to help you to see how giving in to your desires affects your life.

Consider Your Testimony

Ask the Lord to Help you to live honorably.

Ask the Lord to help you in how you are living your life before unbelievers.

Ask the Lord to help you to live as Jesus would have you to live even when others speak evil of you.
