

## **Prayer Guide**

Understanding Your Identity (1 Peter 2:9-10)  
Week of September 30, 2018

Read 1 Peter 2:9-10. Ask the Lord to speak to you through the passage.

### **Self-Defeating Outlook**

Acknowledge that you may be defeated by your past sins and failures and that it has crippled you in your walk with Jesus Christ.

Acknowledge that you are possibly being held back spiritually because of that lack of understanding.

### **A Part of Something**

Ask the Lord to help you to understand that you are a part of something special that he is doing.

Ask the Lord to help you to see yourself as precious to him.

### **Our Purpose**

Ask the Lord to help you to glorify him with your life.

Praise the Lord for calling you out of the darkness that you once were a part of.

### **Our Disposition**

Thank the Lord that you are no longer an outsider, but are now a part of his special people.

Thank the Lord that while you do not deserve mercy, mercy was shown to you because of Jesus Christ.
